

COMPLETING A MATHCOUNTS REGISTRATION

To register for either or both MATHCOUNTS programs, go to www.mathcounts.org/registration

The screenshot shows the 'PROGRAM REGISTRATION' page. On the left, a green sidebar contains the following text: 'Welcome! Register now for either or both programs.', 'MATHCOUNTS COMPETITION SERIES', '\$40 per competitor (\$560 max) for schools', 'Early Bird discounted rate through Nov. 1, 2024', 'Non-school competitor (NSC) registration opens Nov. 6, 2024', 'THE NATIONAL MATHCLUB powered by MATHCOUNTS', and 'Free (yes, seriously!) Open to schools and non-school groups'. Callout 1 points to the 'Welcome!' text. Callout 2 points to the 'Sign In' section. Callout 3 points to a 'NON-SCHOOL COMPETITOR UPDATES' link, which leads to a page titled 'Thanks for your interest in MATHCOUNTS!' with a form for non-school competitor updates. The 'Sign In' section includes fields for 'USERNAME' and 'PASSWORD', a 'Forgot Password?' link, a CAPTCHA, and a 'SIGN IN' button. The 'Create Account' section includes fields for 'EMAIL', 'CONFIRM EMAIL', 'USERNAME', 'PASSWORD', 'CONFIRM PASSWORD', and a CAPTCHA, with a 'GET STARTED' button at the bottom.

1 Welcome! Register now for either or both programs.

3 NON-SCHOOL COMPETITOR UPDATES

Thanks for your interest in MATHCOUNTS!

Non-school competitor (NSC) registration opens Nov. 6, 2024

First Name *

Last Name *

First Name *

Last Name *

First Name *

Last Name *

(1) Online registration is the fastest way to register for both MATHCOUNTS programs.

For Competition Series schools, you can pay with check, PO or credit card when registering online.

Don't know your payment method yet? It's okay! You can still register now. During checkout, just select Pay by PO and enter TBD in the PO number field.

(2) Sign in to your MATHCOUNTS account to register. If you're new to MATHCOUNTS or have not participated in a few years, you'll need to create an account before you can begin.

(3) Registration for non-school competitors (NSCs) will open November 5, 2025. To sign up for NSC registration updates, navigate to "Non - School Competitor (NSC) registration opens Nov 5, 2025."

PROGRAM REGISTRATION

[Programs](#) > [Registration Type](#) > [Participants](#) > [Marketplace](#) > [Cart](#) > [Check Out](#)

Select Programs

Select the program(s) you wish to register for:

1

For schools and non-school competitors

For schools and non-school groups

CONTINUE

(1) Select the program(s) you would like to register for.

If you are registering a non-school group (ex. a learning center), then you will not be able to select the MATHCOUNTS Competition Series.

(2) If you select the Competition Series, you will be required to confirm that you are registering a US school. Tutoring or enrichment centers are ineligible for the Competition Series.

(3) If you select the National Math Club, you will be required to confirm that you have a minimum of 4 students in grades 6-8.

CONFIRMATIONS:

2

Please confirm you are registering a school with grades 6-8 or that you are a parent registering a non-school competitor (NSC) in grades 6-8. Tutoring/enrichment centers and extracurricular groups that do not function as students' official school of record are not eligible. A parent may register an NSC only if their child's school will not register for the MATHCOUNTS Competition Series.

☐ CONFIRM SCHOOL OR NSC REGISTRATION

RETURN TO PROGRAM SELECTION

3

Please confirm you will be meeting with a minimum of 4 students in grades 6-8.

☐ CONFIRM MINIMUM OF 4 STUDENTS

RETURN TO PROGRAM SELECTION

PROGRAM REGISTRATION

[Programs](#) > [Registration Type](#) > [Participants](#) > [Marketplace](#) > [Cart](#) > [Check Out](#)

1

Register Your School

Please attempt to locate your school in our database. You can search by ZIP code (or a partial ZIP code if you're unsure of the full ZIP code). If no match is found, you will have the option to add a new school by scrolling to the end of the School Name drop-down list.

Overseas schools are eligible only if they are affiliated with US Department of Defense (DD) or US State Department (SS). If your school has an APO/FPO ZIP code, you should try typing that into the School ZIP Code search below. If you are unable to locate the school, please contact info@mathcounts.org for assistance.

SCHOOL ZIP CODE

SCHOOL NAME

SCHOOL NAME*

SCHOOL STREET ADDRESS 1*

SCHOOL CITY*

STATE*

US Dept. of Defense = DD; US State Dept. = SS

SCHOOL ZIP CODE*

SCHOOL COUNTY/DISTRICT*

SCHOOL PHONE #*

SCHOOL TYPE*

☐ DO 40% OR MORE OF THE STUDENTS AT THIS SCHOOL QUALIFY FOR FREE OR REDUCED LUNCH OR DOES THIS SCHOOL RECEIVE SCHOOL-WIDE TITLE I FUNDING?

HOW DID YOU HEAR ABOUT MATHCOUNTS?*

HIGHEST MIDDLE GRADE LEVEL AT SCHOOL*

Select the highest grade level offered at your school. A K-6 or 4-6 school would select Grade 6. A K-8, K-12, 6-8 or 7-9 school would select Grade 8.

TOTAL GRADES 6-8 POPULATION AT SCHOOL*

Select the estimated number of grades 6-8 students enrolled at your school. You can find Enrollment by Grade info using the NCES links below.
[Private School lookup](#) | [Public or Charter School lookup](#)

☐ I AM A SCHOOL EMPLOYEE OR HAVE PERMISSION FROM THE SCHOOL ADMINISTRATION TO REGISTER THIS SCHOOL.*

PREVIOUS

NEXT

2

(1) You'll need to search for your school in our database. First, type the ZIP code for your school on the left. Then look in School Name on the right.

If you find your school, select it and the info we have on file will pre-populate below.

If you do *not* find your school, try typing just a partial ZIP code. If your school is still not found, select *Add new school* at the end of the School Name list.

IMPORTANT!

See callout below about State Dept. schools. SS schools will not be charged the \$15 processing fee.

(2) Once you've selected your school, if the school is already registered, it will say "This school has already registered for the Competition Series."

If someone else already registered the school for the Competition Series, you can...

(a) continue a registration for the National Math Club

(b) register additional competitors for the school, *if its original registration was for fewer than 14 competitors and you've received permission from the head coach or school administration.*

IMPORTANT! Because many international schools do not have a ZIP or postal code that is formatted like US ZIP codes, you may have trouble finding your school if it is an overseas State Dept. (SS) school. Please email MATHCOUNTS at info@mathcounts.org for help, so we can send you an offline registration form.

(3) If your school is found in our database, then the info we have on file will pre-populate. You will need to provide some additional info about the school. You also can update any info that is incorrect or outdated.

(4) For a public, charter or private school, you'll need to look up the NCES School ID. In the field help text, you'll find links to the NCES website where you can look up your school. At left are screenshots of a search we did.

NCES School Search: For most schools, entering just a partial name, state and city or ZIP code will be sufficient. Click the Search button on the right.

NCES Search Results: If you have too many results, you may want to go back to the School Search to filter the results further. Once you find your school, click the hyperlinked name, as shown.

NCES School Profile: Copy the NCES School ID at the top center, as shown. This number is what you should paste into the MATH-COUNTS registration portal. If your school does not have this, put TBD.

NCES SCHOOL PROFILE:

School Details (2019-2020 school year)

County: Fairfax County [schools in county](#)

Locale: Suburb: Large (21)

Magnet: No

Title I School: No

Title I School-Wide Program: †

Total Students: 1,246

Classroom Teachers (FTE): 90.24

Student/Teacher Ratio: 13.81

(5) For a public or charter school, you will be asked to indicate if your school receives *School-Wide* Title I funding or is a school where 40% or more of the student population qualifies for free or reduced lunch.

If you indicate your school receives School-Wide Title I funding or has 40% or more of its students on free or reduced lunch, you will be *required* to provide complete principal information because Title I schools receive a 50% discount on program registration. This information is optional for non-Title I schools.

You can use the NCES School Profile from the previous page to determine School-Wide Title I funding. The school shown at left, for example, would *not* select the Title I school toggle in our registration portal, because it is not a Title I school.

We periodically check this information, and may contact your school's principal or district officials to confirm Title I status.

(6) Only school employees or volunteers who have received permission from the school administration may register a school.

PROGRAM REGISTRATION

[Programs](#) > [Registration Type](#) > [Participants](#) > [Marketplace](#) > [Cart](#) > [Check Out](#)

Register for the MATHCOUNTS Competition Series

STUDENTS

20

Estimated # of students participating in MATHCOUNTS meetings*

You should include the total number of students who participate in your school's MATHCOUNTS meetings. This number is usually greater than the number of registered competitors. For example, if you coach 20 students throughout the competition season, but only register a team of 4, you should enter 20 here.

10

Estimated # of participating students who are girls*

This number should be less than or equal to the estimated number of students participating in the previous field, not a percentage.

2

Number of competitors to register for the Chapter Competition*

This is the number of students (between 1 and 14) who will represent your school at the Chapter Competition. Therefore, this number likely will be less than the number of students participating in MATHCOUNTS meetings. The cost to register each competitor is \$40.00.

Price: \$40.00 per competitor registration * 2 competitor(s) = \$80.00
If your school qualified for our Title I discount, this discount is already included.

1

HEAD COACH *

☐ IS THE HEAD COACH A MATHCOUNTS ALUMNUS/A?

2

(1) You will need to provide 3 participation numbers for your school's competition program:

Participating students: typically the largest of the 3 numbers, because it includes all students participating in school team meetings and practices.

Participating girls: must be less than or equal to the previous number. If you work with 20 students, for example, and half are girls, you would type 10 in this field.

Chapter competitors: this is what determines your registration cost, as these are the students who will represent the school at the Chapter Competition. You may register 1-14 (a team of 4 students + 10 more individuals).

(2) Provide Head Coach info here. If you are a bookkeeper or other school official completing this registration and will not be the coach, you should put the *coach's* info—not your own—here.

The Head Coach will receive an email with info about accessing the Coach Dashboard and resources.

You should include the total number of students who participate in your school's or group's math club meetings.

Estimated # of participating students who are girls *

This number should be less than or equal to the estimated number of students participating in the previous field, not a percentage.

CLUB LEADER *

☒ I will be the club leader ☐ I am registering someone else as the club leader

☐ IS THE CLUB LEADER A MATHCOUNTS ALUMNUS/A?

CO-LEADER

☐ WOULD YOU LIKE TO ADD CO-LEADER INFORMATION?

Please make sure you have permission from the co-leader before filling in these fields. An account on the MATHCOUNTS website automatically will be created for your school's co-leader, which will give them access to online competition resources.

☐

IMPORTANT: By checking this box and completing this online registration you (I) agree to adhere to the rules of the National Math Club and (2) agree to the MATHCOUNTS Foundation's [privacy policy](#).

4

PREVIOUS

CONTINUE

(1) You will need to provide 2 participation numbers for your math club. If you're registering for more than one program, these numbers may or may not be the same for each:

Participating students: typically the larger of the 2 numbers, because it includes all students participating in club meetings.

Participating girls: must be less than or equal to the previous number. If you work with 20 students, for example, and half are girls, you would type 10 in this field.

(2) Provide Club Leader info here. If you are a school/group official completing this registration and will not be the club leader, you should put the *club leader's* info—not your own—here.

The Club Leader will receive an email with info about accessing the Club Leader Dashboard and resources.

Non-school groups will also need to provide group info here.

(3) If your club will have a Co-Leader, you may enter their info here.

(4) Before registering, please be sure you agree to the program rules and our privacy policy.

Add Optional Items for Purchase

1

12-MONTH OPLET SUBSCRIPTION

Price \$295.00

- Library with thousands of problems from 20+ years of resources.
- Create worksheets, flash cards and Problems of the Day.
- [Click here for more details about OPLET.](#)
- This subscription is non-refundable.

ADD TO CART

2

EXTRA COACH SCHOOL HANDBOOK

Price \$22.00

- Extra printed copy of the School Handbook. (1 School Handbook is included with competition registration.)
- To purchase additional copies of the School Handbook for students, click Store on the MATHCOUNTS homepage.
- This purchase is non-refundable.

ADD TO CART

Your OPLET subscription will be discounted by \$5 for each competitor you register (up to \$50).

(1) Save some time by adding to your order, rather than purchasing a resource separately. You may add on a 12-month subscription to OPLET, the online math problem database.

Registered Competition Series schools will automatically have the maximum eligible discount on OPLET applied to their orders (\$5 off per competitor, up to a \$50 discount).

(2) Each Competition Series registration comes with 1 printed copy of this year's School Handbook (coaches and co-coaches also receive an electronic copy on their Dashboards).

If you would like to purchase a second copy of the printed School Handbook for your co-coach, you may do so here.

If you would not like to add any optional items for purchase, simply click continue.

PROGRAM REGISTRATION

CANCEL

CONFIRM

(1) Note that we will ship all of your materials to a single address. For most registrants, the school address works best.

(2) The box "I would like my materials shipped to the school/group address" will automatically be checked and the address info will be pre-populated. You can leave this box checked or uncheck it and provide an alternate shipping address.

You also can leave the box checked and change info for shipping, if needed (for example, if the Head Coach's name is listed, but you'd rather list the Club Leader, you can make that change).

Changes made to the Shipping address will not update the school's or group's record in our database, as that is done on previous sections during registration.

(3) You will be required to review your shipping address and confirm it is correct. Please be sure any necessary building, suite or apartment info is included.
